(iv). Details of the services being offered

Discretionary Portfolio Management

The portfolio account of the client is managed at the full discretion and liberty of the Portfolio Manager. Thus the choice and timing of investment rests solely with the Portfolio Manager. The Portfolio Manager's decision (taken in good faith) in deployment of the Client's account is absolute and final and cannot be called in question or be open to review at any time during the tenure of the agreement or any time thereafter except on ground of malafide, fraud, conflict of interest.

(i). Portfolio Management Services - Research Approach

Equirus launched Portfolio Management Services (PMS) in October 2016. The product leverage Equirus's high quality research. Absolute return idea generation is the clear and overriding objective behind our research product. Our research approach is based on the following principles:

- Bottom-up process for stock selection with emphasis on absolute return.
- Focus on stocks that offer meaningful upside.
- Stocks we select must meet our stringent research criteria of industry attractiveness, growth prospects, company track record, financial disclosure, corporate governance and future growth potential.
- Process driven approach with detailed financial models that are based on standard template thus limiting room for mechanical errors and resulting in high productivity.

Though the PMS product relies on PMS research to a large extent, the PMS fund manager exercises his own skill and judgment to build and maintain portfolio.

(ii). Marketing Plan

- Equirus has a good reputation among its clients and because of our reputation, number of HNIs including NRIs have approached us and enquired about the Managed Fund product. Our immediate target are such references.
- We follow that up by widening our marketing scope through word of mouth, to our Investment Banking and Private Equity relationships and eventually through other means of marketing.
- We provide simple product and fee structure. Instead of charging clients for trades, we only charge a flat fee.

None

5. Services offered

The Portfolio Manager offers Discretionary Portfolio Management Services i.e. the portfolio account of the client is managed at the full discretion and liberty of the Portfolio Manager.

Products available /Activities carried on by us:

Currently we have the following PMS product:

- **Equirus Long Horizon Fund - This fund is long term oriented and will have following features:**
 - Investment in stocks taking at least 24 months but ideally three to Five year perspective.
 - Investment in primary issues again from long term perspective.
 - Managing market exposure if market appears near any of the extremes - extremely undervalued or extremely overvalued. Exposure will primarily be managed through changing cash level in the portfolio.
 - Will exit when stocks have achieved our objectives or if our thesis is no longer working.
 - Idle cash is deployed in liquid instruments.

The present investment objectives and policies

- Bottom-up process for stock selection with emphasis on absolute return.
- Focus on stocks that offer meaningful upside.
- Stock selection based on our stringent research criteria of industry attractiveness, growth prospects, company track record, financial disclosure, corporate governance and future growth potential.
- Process driven approach with detailed financial models that are based on standard template thus limiting room for mechanical errors and resulting in high productivity.

Policies applicable

- The portfolio of each client may differ from that of the other client in the same product as per discretion of the Fund/ Portfolio Manager depending on the investment horizon.
- The un-invested amounts in the schemes may be deployed by the Fund Manager/Portfolio Manager in any other short term investments.
- The Fund Manager/Portfolio Manager may also use derivatives and hedging products. Derivatives instruments may take the form of Index Futures, Index Options, Options on Individual equities/securities, Interest rate Swaps, Forward Rate agreements or such other derivative instruments as may be appropriate, from time to time. The Fund Manager/Portfolio Manager may also invest in other instruments/products as allowed by SEBI from time to time.
- The performance of the Portfolios may not be strictly comparable with the performance of the Indices, due to the inherent differences in the construction of the portfolios. The Portfolio Manager may from time to time, review the benchmark selection process and make suitable changes as to use of the benchmark, or related to composition of the benchmark, whenever it deems necessary.
- No speculative transactions will be entered into as per SEBI regulations.
- The policies for investments in associates/ group companies of the Portfolio Manager and the maximum percentage of such investments therein would be subject to the applicable laws /regulations/ guidelines. The Portfolio Manager currently does not intend to invest in any of its associate or group companies.

6. Risk factors

- i. Securities investments are subject to market risks and there is no assurance or guarantee that the objective of the investments will be achieved. Investment decisions are taken keeping the SEBI Rules and Regulations in mind.
- ii. Past performance of the Portfolio Manager does not indicate its future Performance.
- iii. The investments made by the Portfolio Manager are subject to risks arising from the investment objective, investment strategy and asset allocation.
- iv. The investments made by the Portfolio Manager are subject to risks arising out of non-diversification etc.
- v. The Portfolio Manager has no previous experience in Portfolio Management Services.
- vi. The investments in equity related instruments of mutual funds are subject to interest rate risks, credit risks, political and geopolitical risks currency risks, country risks, and risks arising from changing business dynamics. This may adversely affect returns.
- vii. At times the performance of the Portfolio would depend on the performance of such companies / industries / sectors of the economy / class of assets. Technology, pharmaceutical stocks and some of the investments in niche sectors run the risk of high volatility, high valuation, obsolescence and low liquidity.
- viii. The Portfolio Manager may invest in non-publicly offered debt securities and or unlisted equities. This may expose the portfolio to liquidity risks.
- ix. The various factors which may impact the value of the Portfolios' investments include, but are not limited to, fluctuations in the equity and bond markets, fluctuations in interest rates, prevailing political and economic environment, changes in government policy, factors specific to the issuer of the securities, tax laws, liquidity of the underlying instruments, settlement periods, trading volumes etc.
- x. Interest Rate Risk: As with all debt securities, changes in interest rates may affect valuation of the Portfolios as the prices of securities generally increase as interest rates declines and generally decrease as interest rates rise.

Strictly Private and Confidential

Prices of long-term securities generally fluctuate more in response to interest rate changes than prices of short-term securities. Indian debt markets can be volatile leading to the possibility of price movements up or down in fixed income securities and thereby to possible movements in the valuations of Portfolios.

- xi. The investments made are subject to external risks such as War, natural calamities, policy changes of Local / International Markets which affects stock markets.
- xii. Any policy change / technology change / obsolescence of technology would affect the investments made in a particular industry.
- xiii. The Portfolio Manager is neither responsible nor liable for any losses resulting from the operations of the Portfolios.
- xiv. The Portfolio Manager is not guaranteeing or assuring any return on investment.
- xv. Performance of the Portfolios may be impacted as a result of specific investment restrictions provided by the client.
- xvi. In the case of stock lending, risks relate to the defaults from counterparties with regard to securities lent and the corporate benefits accruing thereon. The Portfolio Manager is not responsible for any loss resulting from stock lending.
- xvii. The names of plans do not in any manner indicate their prospectus or returns, or does not guarantee the performance or return of the plan.
- xviii. Any act, omission or commission of the Portfolio Manager under the Agreement would be solely at the risk of the Client and the Portfolio Manager will not be liable for any act, omission or commission or failure to act save and except in cases of gross negligence, willful default and/or fraud of the Portfolio Manager
- xix. The Client Portfolio may be affected by settlement periods and transfer procedures.

If the client remains dissatisfied with the remedies offered or the stand taken by Portfolio Manager, the client and the Portfolio Manager shall abide by the following mechanisms. The Client has the option to register its complaints as below:

SEBI Scores Platform

SEBI has launched a centralized web based complaints redress system (SCORES), which enable investors to lodge and follow up their complaints and track the status of redressal of such complaints from anywhere. This also enables the market intermediaries and listed companies to receive the complaints from investors against them, redress such complaints and report redressal. All the activities starting from lodging of a complaint till its disposal by SEBI would be carried online in an automated environment and the status of every complaint can be viewed online at any time. An investor, who is not familiar with SCORES or does not have access to SCORES, can lodge complaints in physical form. However, such complaints would be scanned and uploaded in SCORES for processing.

A sole arbitrator will be appointed by mutual consent of the portfolio manager and the client and the place of arbitration shall be Mumbai and proceeding shall be conducted in English language.

14. General

Prevention of Money Laundering

Prevention of Money Laundering Act, 2002 ('PML Act') came into effect from July 1, 2005 vide Notification No. GSR 436(E) dated July 1, 2005 issued by Department of Revenue, Ministry of Finance, Government of India. Further, SEBI vide its circular No. ISD/CIR/RR/AML/1/06 dated January 18, 2006 and Master Circular dated December 31, 2010 has mandated that all intermediaries including Portfolio Managers should formulate and implement a proper policy framework as per the guidelines on anti money laundering measures and also to adopt a "Know Your Customer" (KYC) policy. The intermediaries may, according to their requirements specify additional disclosures to be made by Clients for the purpose of identifying, monitoring and reporting incidents of money laundering and suspicious transactions undertaken by Clients. SEBI has further issued circular no. ISD/CIR/RR/AML/2/06 dated March 20, 2006 advising all intermediaries to take necessary steps to ensure compliance with the requirement of section 12 of the PML Act requiring inter alia maintenance and preservation of records and reporting of information relating to cash and suspicious transactions to Financial Intelligence Unit-India (FIU-IND). SEBI has further strengthened the KYC and client risk assessment requirements under its circular no. CIR/MIRSD/1/2014 dated March 12, 2014. The PMLA, Prevention of Money-laundering (Maintenance of Records of the Nature and Value of Transactions, the Procedure and Manner of Maintaining and Time for Furnishing Information and Verification and Maintenance of Records of the Identity of the Clients of the Banking Companies, Financial Institutions and Intermediaries) Rules, 2005 as amended and modified from time to time, the guidelines/circulars issued by SEBI thereto, as amended from time to time, are hereinafter collectively referred to as 'PML Laws'.

The Client(s), including guardian(s) where Client is a minor, should ensure that the amount invested through the services offered by the Portfolio Manager is through legitimate sources only and does not involve and is not designated for the purpose of any contravention or evasion of the provisions of the Income Tax Act, 1961, PML Laws,

Strictly Private and Confidential

Prevention of Corruption Act, 1988 and/or any other applicable law in force and also any laws enacted by the Government of India from time to time or any rules, regulations, notifications or directions issued there under.

To ensure appropriate identification of the Client(s) under its KYC policy and with a view to monitor transactions in order to prevent money laundering, the Portfolio Manager (itself or through its nominated agency as permissible under Applicable Laws) reserves the right to seek information, record investor's telephonic calls and/or obtain and retain documentation for establishing the identity of the investor, proof of residence, source of funds, etc. The Client agrees to provide all information and submit to the Portfolio Manager, or its agent, all documents as may be required to verify the Client's identity and comply with its KYC and PML policies. The Portfolio Manager may re-verify identity and obtain any incomplete or additional information for this purpose, including through the use of third party databases, personal visits, or any other means as may be required for the Portfolio Manager to satisfy themselves of the investor(s) identity, address and other personal information.

The Client(s) and their attorney(ies), if any, shall produce reliable, independent source documents such as photographs, certified copies of ration card/passport/driving license/PAN card, etc. and/or such other documents or produce such information as may be required from time to time for verification of the personal details of the Client(s) including inter alia identity, residential address(es), occupation and financial information by the Portfolio Manager. The Portfolio Manager shall also, after application of appropriate due diligence measures, have absolute discretion to report any transactions to FIU-IND (and any other competent authorities and self-regulating bodies) that it believes are suspicious in nature within the purview of the PML Laws and/or on account of deficiencies in the documentation provided by the Client(s) and the Portfolio Manager shall have no obligation to advise investors or distributors of such reporting. The KYC documentation requirements shall also be complied with by the persons becoming the Client by virtue of operation of law e.g. transmission, etc.

The Portfolio Manager will not seek fresh KYC from the Clients who are already KRA compliant and the ones who are not KRA compliant, the information will be procured by the Portfolio Manager and uploaded.

The KYC requirements shall also be applicable for all joint holders, legal representatives, legal heirs, estates, nominees of the Client. The KYC documentation requirements shall also be complied with by the person(s) becoming beneficial owner of the account by virtue of operation of law for e.g. transmission cases and nominees/legal heirs on the death of the Client. In case of minor Client, KYC documentation requirements shall be complied by the Client on attaining the "major" status.

The Portfolio Manager, and its directors, employees, agents and service providers shall not be liable in any manner for any claims arising whatsoever on account of freezing the client account/rejection of any application or mandatory repayment/returning of funds due to non-compliance with the provisions of the PML Laws and KYC policy and/or where the Portfolio Manager believes that transaction is suspicious in nature within the purview of the PML Laws and/or for reporting the same to FIU-IND.

Client Information

The Portfolio Manager shall presume that the identity of the Client and the information disclosed by the Client is true and correct. It will also be presumed that the funds invested by the Client through the services of the Portfolio Manager come from legitimate sources / manner and the investor is duly entitled to invest the said funds.

Where the funds invested are for the benefit of a person (beneficiary) other than the person in whose name the investments are made and/or registered, the Client shall provide an undertaking that the Client is holding the funds/Securities in his name is legally authorised/entitled to invest the said funds through the services of the Portfolio Manager, for the benefit of the beneficiaries.

Strictly Private and Confidential

Notwithstanding anything contained in this Document, the provisions of the Regulations, PML Laws and the guidelines there under shall be applicable. Clients/Investors are advised to read the Document carefully before entering into an Agreement with the Portfolio Manager.

Foreign Account Tax Compliance Act (FATCA):

India has entered into Inter Governmental Agreement (“IGA”) with USA on 9th July 2015 and has notified Income Tax rules for compliance with FATCA regulations. Further, India has also signed a multilateral agreement on June 3, 2015, to automatically exchange information based on Article 6 of the Convention on Mutual Administrative Assistance in Tax Matters under the Common Reporting Standard (CRS). The Portfolio Manager intends to take any measures that may be required to ensure compliance under the terms of the IGA and local implementing regulations. In order to comply with its FATCA/CRS obligations, the Company will be required to obtain certain information from its investors so as to ascertain their tax status. If the investor is a specified person, or does not provide the requisite documentation, the Company may need to report information on these investors to the appropriate tax authority, as far as legally permitted. If an investor or an intermediary through which it holds its interest in the Company either fails to provide the Company, its agents or authorised representatives with any correct, complete and accurate information that may be required for the Company to comply with FATCA/CRS, the investor may be subject to withholding on amounts otherwise distributable to the investor, may be compelled to sell its interest in the Company or, in certain situations, the investor’s interest in the Company may be sold involuntarily. The Company may at its discretion enter into any supplemental agreement without the consent of investors to provide for any measures that the Company deems appropriate or necessary to comply with FATCA/CRS, subject to this being legally permitted under the IGA or the Indian laws and regulations. Other countries are in the process of adopting tax legislation concerning the reporting of information. The Company also intends to comply with such other similar tax legislation that may apply to the Company although the exact parameters of such requirements are not yet fully known. As a result, the Company may need to seek information about the tax status of investors under such other country’s laws and each investor for disclosure to the relevant governmental authority. Investors should consult their own tax advisors regarding the FATCA/CRS requirements with respect to their own situation. In particular, investors who hold their Units through intermediaries should confirm the FATCA/CRS compliance status of those intermediaries to ensure that they do not suffer FATCA/CRS withholding tax on their investment returns.
